The Honorable Ranking Member Sam Graves
Ranking Member
House Committee on T&I
U.S. House of Representatives
Washington, D.C. 20515

Dear Chair DeFazio and Ranking Member Graves:

I am requesting funding for New Cumberland – WV 2 in surface transportation reauthorization legislation.

The project sponsor for this project is West Virginia Department of Transportation and the project is located at WV Route 2, New Cumberland, WV, 26047.

The funding is designated for a road re-location project. Re-locating the road will remove the two 90 degree turns out of the center of New Cumberland on Route 2. making the road much safer for traffic, especially for large trucks hauling chemicals.

The project is an appropriate use of taxpayer dollars and is anticipated to have the following benefits by making the road much safer for traffic, especially for large trucks hauling chemicals.

I certify that neither I nor my immediate family has any financial interest in this project.

Sincerely,

David B. McKinley, P.E.
Member of Congress
